In the event the Software or Documentation are held or are believed by Apryse to infringe, Apryse may, at its sole option and expense, elect to (a) modify the Software or Documentation so that they are non-infringing; (b) replace the Software with non-infringing Software which are functionally equivalent; (c) obtain a License for Licensee to continue to use the Software as provided hereunder; or if none of (a), (b), or (c) is commercially reasonable, then (d) terminate the License for the infringing Software or Documentation and refund the License fees paid for that Software or Documentation, prorated over a five (5) year term from the Effective Date. THE EXISTENCE OF ONE OR MORE CLAIMS WILL NOT ENLARGE THIS LIMIT. LICENSEE ACKNOWLEDGE THAT APRYSE'S PRICING REFLECTS THIS ALLOCATION OF RISK AND THE LIMITATION OF LIABILITY SPECIFIED IN THIS SECTION WILL APPLY REGARDLESS OF WHETHER ANY LIMITED OR EXCLUSIVE REMEDY SPECIFIED IN THIS AGREEMENT FAILS OF ITS ESSENTIAL PURPOSE. NOTWITHSTANDING THE FOREGOING, THE LIMITATIONS OF LIABILITY SET FORTH IN THIS SECTION SHALL NOT APPLY TO LIABILITY ARISING FROM ANY BREACH OF SECTIONS 1, 2, 3, OR 7 AND ANY OBLIGATIONS UNDER SECTION 11.

All notices required under this Agreement shall be (a) in writing, (b) deemed to have been duly made and received when (i) personally served, (ii) delivered by commercially established courier service, or (iii) ten (10) days after deposit in mail via certified mail, return receipt requested, to the addresses specified in the Order or at such other address as the parties shall designate in writing from time to time, and, (c) for notices to Apryse, marked "Attention: Contracts Department".

13.5 Dispute Resolution. Any unresolved disputes between the parties relating to or arising from this Agreement shall be settled by arbitration in accordance with the Commercial Arbitration Rules of the American Arbitration Association (the "AAA Rules") before a single neutral and competent arbitrator selected in accordance with the AAA Rules. Such arbitration shall be held in Denver, Colorado and conducted in the English language. The cost and expense of arbitration shall be shared equally by the parties to the arbitration and each party will bear its own attorney fees, regardless of which party prevails. The arbitration shall be conducted in accordance with the following time schedule unless otherwise mutually agreed to in writing by the parties: (i) no later than thirty (30) days after the appointment of the arbitrator, the arbitrator shall schedule a hearing on the dispute and (ii) within thirty (30) business days after the date of the hearing referenced in clause (i), the arbitrator shall render a decision. The decision or award of the arbitrator shall be final and binding upon the parties, and to the same extent and to the same degree as if the matter had been adjudicated by a court of competent jurisdiction and shall be enforceable under the Federal Arbitration Act. However, the parties agree that any breach of a party's confidentiality obligations and the license grant and restrictions set forth in this Agreement will result in irreparable injury to the other party for which there is no adequate remedy at law. Therefore, in the event of any breach or threatened breach of such obligations, the nonbreaching party will be entitled to seek equitable relief in addition to its other available legal remedies without submitting such matter to arbitration. Each party hereby irrevocably submits to the exclusive jurisdiction and venue of the state and federal courts located in Denver, Colorado for any action seeking injunctive relief hereunder.

13.6 Integration and Modification. This Agreement sets forth the entire agreement between the parties and supersedes any and all prior proposals, agreements or communications, written or oral, of the parties with respect to the subject matter hereof. This Agreement sets forth the general terms and conditions applicable to all Services provided by Apryse to Licensee under the specific terms and conditions set forth in the applicable order, renewal notice, or quotation provided by Apryse, if any. The provision and receipt of Services are expressly conditioned on the acceptance of the terms in this Agreement. No other terms apply. No terms and conditions proposed by either party shall be binding on the other party unless accepted in writing by both parties, and each party hereby objects to and rejects all terms and conditions not so accepted. This Agreement may not be modified, altered or amended, except by written instrument duly executed by both parties.

13.7 Miscellaneous. No failure or delay by either party in exercising any right hereunder will operate as a waiver thereof. If Licensee wishes to assign or otherwise transfer this Agreement to anyone, Licensee must obtain Apryse's prior written consent, which consent shall not be unreasonably withheld. This Agreement will be binding on the parties, their successors and permitted assigns. This Agreement will be construed under the laws of the State of Colorado, without regard to its conflicts of law principles. Except as required by Section 13.4 above, any action or lawsuit related to this Agreement must be brought exclusively in either the federal or state courts

located in the City and County of Denver, Colorado and each party hereby irrevocably submits and waives any objection to the exclusive jurisdiction and forum of such courts. The parties hereby disclaim the application of the 1980 U.N. Convention on Contracts for the International Sale of Goods. The English language version of this Agreement shall be controlling in the interpretation or application of the terms of this Agreement. If any provision of this Agreement is, for any reason, held invalid or illegal in any respect by an arbitrator or a court of competent jurisdiction, such inability or illegality shall not affect the validity of this Agreement itself and there shall be substituted for the affected provision, a valid and enforceable provision which most closely approximates the intent and economic effect of the invalid provision. If such provision cannot be amended so as to be valid and enforceable, then such provision is severable from this Agreement, and the remaining provisions of this Agreement shall remain valid and enforceable. If any legal action is brought to enforce the terms and conditions of this Agreement, the prevailing party will be entitled to recover its attorneys' fees, court costs, and other collection expenses, from the non-prevailing party in addition to any other relief it may be awarded.
